Dear Dan,

Your letter to Dave Borst was misaddressed to Rochester. I am forwarding it to him and to Jay Wylie so that they may adjust their records on WHRC.

I hope that you can see your way clear to clearing up at least a part of WHRC's indebtedness to IBS in addition to thecurrent year's dues. Brooks Cooper indicated to me that partial payments would be made last spring, however these were never forthcoming. WHRC, as a consequence, is now in arrears in the amount of $116.39, in addition $40.00 member dues for 1950/51 are now payable per the enclosed bill.

The following resolution was passed at the meeting of the Governing Council in May in regard to those few stations still delinquent in their dues:

> Each station delinquent in payment of Trial or Member dues as of 5 May, 1950 shall be rendered a bill by registered mail for the entire amount of their indebtedness; the station to be dropped from the system unless payment of dues for the current period is received by 1 January, 1951.

As you can see it is not necessary that a delinquent station pay all its past dues by January 1st to remain within the System. It is, however, necessary that it pay its current dues. Thus, if your station will pay the dues for the current year and make arrangements for payments of the delinquent amount we will consider the arrangement satisfactory.

I am sorry to have to write this sort of a letter to you at the outset of operations for this year, however I realize that this is probably the best time for you to plan to meet this obligation. I sincerely hope that WHRC will be able to meet these conditions as the above resolution was not one easily made. It was, however, a necessary one in view of the expanding scope of IBS operations.

Very truly yours,

George I. McKelvey
